

## Volunteering as a Senior

Are you over the age of 55? Do you care about education?  
You could be a great candidate for a Fulfillment Fund  
volunteer position!

The Fulfillment Fund is dedicated to making college a reality for students growing up in educationally and economically under-resourced communities. Here are two ways to get involved with our mission!

### **#1 - Become a Mentor**

For 20 years, the Fulfillment Fund mentor program has paired students with caring adults for 1:1 long-term mentoring relationships. We uniquely offer extensive training, ongoing support through case management, fun engagement events, and college access services. ### **#2 - Join Scholar Bridge Network**

The Scholar Bridge Network is a diverse and active group of professionals, entrepreneurs, executives, mentors, and organizations who guide scholars as they go from college to career. They generate practical career-based programs, enrichment events, networking activities, and inspire students to stay engaged. For more details please visit [www.fulfillment.org/Scholarbridge](http://www.fulfillment.org/Scholarbridge).

**“I have always lived my life by the motto ‘You are as young as you feel’ and the mentor program has allowed me to do activities that are fun and interesting for my mentee that I might not have experienced without the program!” – Susan Bloch Kay (Fulfillment Fund Mentor, 57)**

**“My most memorable outing [with my mentee Armando] was our first time together. You can only imagine how nervous we were. Armando was very quiet, while I didn't stop talking. Somehow, when I returned Armando home, I believe we both felt secure that this was going to work. And due to OUR mutual commitment, it has been an outstanding ride! Armando is just a remarkable young man. He is bright and hardworking with a sense of humor.”**
